***NON-GMO** All donut recipes, glazes & toppings are developed and produced by Mighty-O Donuts.

All Natural: We do not use artificial flavors, colors, additives, dyes, or preservatives in our donuts or toppings!

Allergen Information: This product contains wheat and soy and is produced in a facility that uses peanuts.

Egg & Dairy Free: Why, why not? We do not need any extra ingredients to make a delicious donut everyone can enjoy! Mighty-O does not use egg or dairy or GMO products in the production of our donuts, glazes or toppings.

Peanuts: We do not put peanuts in our donuts, however, we use peanuts as a topping on some varieties of donuts. We can make special order donuts (or mini donuts) that will have minimal chance of peanut cross contamination. If someone is highly allergic to peanuts we recommend that they do not eat our donuts, due to risk of cross contamination. For special orders contact info@mightyo.com
